

Collective Bargaining Update - July 2015

Commissionaires PSAC Local 90140

On Wednesday July 22nd, your team met with the Corps of Commissionaires N.B. and P.E.I. to exchange bargaining proposals and begin the bargaining process.

The teams are presently setting other dates for October.

We intend to negotiate a fair and just agreement for our membership. We do not intend to make any concessions that weaken your terms and conditions of employment.

Please continue to show support for your bargaining team in the workplace and with the general public.

We will provide bargaining updates on a regular basis, usually after each set of bargaining sessions.

Your Bargaining Team:

Gerald Hood, team member
Jack Stewart, team member
