

“We all draw strength from being together, hearing each other’s stories, and bearing witness to each other’s struggles and strengths” — 2014 participant

Join a delegation that will explore history, human rights and social justice in Guatemala. A challenging and rewarding opportunity to learn more and deepen relationships with Guatemalan friends and partners.

The delegation is open to anyone interested in deepening their understanding of the social justice issues that Guatemalans face and how they are related to global struggles for a more justice and peaceful world.

*We encourage youth to apply,
but anyone young at heart is welcome!*

We will visit our partners in Rabinal, San Lucas Toliman, and Chimaltenango, meet with community members affected by Canadian mining companies and participate in the International Labour Day March in Guatemala City.

What: 2016 BTS delegation in Guatemala

When: April 30-May 13, 2016
