PSAC ATLANTIC REGIONAL HEALTH, SAFETY & ENVIRONMENT CONFERENCE

June 7 – 9, 2019

APPLICATION FOR SUBSIDY

There are some funds available for subsidies to assist locals and members who have to travel long distances in order to attend the conference. While we would like to provide full funding, it is not possible due to budget restraints.

Locals can help send delegates in many ways. First, check with your Employer through your workplace safety and health committee. Under both the Canada Labour Code Part II and the Provincial Occupational Health & Safety Acts, employers are to provide committee members and workplace representatives with training. As this is an education / training forum, ask your employer to allow you to attend as part of your committee member or representative duties.

Subsidies are available for delegates **selected** to attend the conference. Observers are **not** eligible to receive a subsidy. Delegates may apply for a transportation subsidy and/or a hotel accommodation subsidy as outlined in the attached document. It is important to submit your subsidy application form with the delegate application form.
