PSAC Atlantic – Solid as a Rock!

PSAC RESCHEDULED REGIONAL CONVENTIONS: MESSAGE FROM THE NATIONAL PRESIDENT

The COVID-19 pandemic has impacted members and our communities across the country. This continues to be a challenging time for everyone, and I salute the dedication of our activists in continuing to serve the membership.

As we adapt to living and working in the new COVID-19 reality, we have adjusted how we conduct our union business and events. This includes our PSAC Regional Conventions, which we were forced to postpone in 2020. The PSAC National Board of Directors has endorsed that these conventions proceed as virtual events, utilizing an electronic platform to ensure members' participation in the democratic process of our union, in a manner that protects their health and safety.

I know that members were looking forward to coming together at these conventions, to debate resolutions, elect officers, and set the future direction of their region. However, with so much uncertainty surrounding the future of the pandemic and its impacts on health, travel, and public safety, we cannot place members and their families at any additional risk. Nor can these conventions be further postponed. We are committed to recreating the convention experience as best possible, using a specially designed virtual convention platform. The work that must be accomplished at convention will get done, and members will be engaged in this process.

In conducting our Regional Conventions virtually in 2021, we shall be recreating to the extent possible the conventions that were to take place in 2020. Therefore, these are not new conventions, but a re-establishment of the 2020 Regional Conventions. The delegate entitlement calculation that was utilized for the 2020 Regional Conventions shall be maintained for the rescheduled 2021 conventions. **Further details on the virtual convention platform, as well as a revised convention call-out, will be issued in the near future.**

I will miss spending time with members at these conventions and I look forward to when we can all be together again in person. I recognize that virtual conventions will be a big change for our union, but I am confident that members will rise to this challenge – just as they have met the challenge of work and life during COVID-19. Our collective solidarity will power us through this pandemic and help to build a more positive future.

In solidarity,

Chris Aylward
National President
Public Service Alliance of Canada

INTRODUCTION

Introduction

The COVID-19 pandemic forced the 2020 Regional Conventions to be postponed to 2021. For the first time in PSAC history, our Regional Conventions will be held virtually. This document refers to PSAC Atlantic Region 'postponed Regional Convention', which means the 2020 Regional Convention that will be held virtually in 2021.

In recreating Conventions as virtual events, changes are required to the standard hours of session, agenda, and rules of order utilized by PSAC. These changes are intended to help delegates address the priority convention business in a manner that respects the challenges of conducting these conventions virtually. They include:

1. **Hours of Session:** shall be 4.5 hours per day, in 90-minute segments, with breaks in-between sessions. All caucuses will take place outside of the Convention hours of session.
2. **Agenda:**
 - a. shall contain the priorities which each convention must address the following: passing a budget, election of officers, and priority resolutions. Resolution Committees have been asked to prioritize their resolutions and present their **ten (10)** priorities to convention. All outstanding resolutions remaining at the conclusion of each convention shall be referred to the appropriate Regional Council.
 - b. The use of guest speakers has been restricted to the PSAC National President only.
 - c. Component caucus meetings will take place outside the hours of session.
 - d. Any all-candidates meetings will occur outside the hours of session.
 - e. Orientation and training for delegates will be scheduled in advance of each convention.
3. **Rules of Order:** Revised rules of order will be produced to better reflect the functioning of virtual Regional Conventions. Additional materials to assist with members' participation on the virtual convention platform will also be prepared.

PSAC Conventions are traditionally an opportunity to bring members together. While COVID-19 has impeded our ability to be together in person, we shall come together virtually to participate in this important democratic process. There may be instances where delegates and observers will want to congregate in person to participate in their regional convention. Given the unknown evolution of the pandemic, all members are advised to respect the public health directives issued by the relevant municipal, provincial and federal health authorities regarding restrictions on in-person gatherings.

PSAC will not place members and their families at any additional risk, therefore all delegates and observers are asked to respect health and safety guidelines when participating in their Regional Convention.

DELEGATE REGISTRATION

DELEGATE REGISTRATION

There will be a new online registration form, for delegates to apply. Previously submitted applications have been discarded. An email reminder will be sent to all those who applied online previously to ensure they are aware.

All delegates attending this Convention must be members in good standing of PSAC, elected by the appropriate union body or delegated by virtue of their position (such as a member of Regional Council or as a National Officer).

If a delegate is being replaced by a duly elected alternate, minutes of the meeting where this election took place must be provided by the submitting body. This election shall be conducted per the appropriate local/branch/component by-laws. **Components shall confirm their delegation to PSAC, including any changes made to their delegation.**

The elected delegate representing an Area Council or Regional Committee shall be confirmed as per this process. A new election is not required if the previously elected delegate or their elected alternate will be attending the postponed Regional Convention; the Area Council / Regional Committee shall be asked to reconfirm their delegate.

Should neither the elected delegate nor alternate be able to attend the postponed Regional Convention, the Area Council / Regional Committee shall be required to conduct a new election for their delegate. This election shall be conducted per the Area Council / Regional Committee by-laws. The new delegate must be registered within the period of delegate confirmation defined in this callout to avoid being a late delegate.

For those union bodies that did not register their full complement of delegates (or any delegate) by the original 2019/2020 deadline, they will be able to utilize their full complement and register their delegate(s) to the postponed Regional Convention, within the reopened delegate registration period. Such delegates will not be considered as late. Any election required to fulfill delegate complement shall be done in compliance with the by-laws of the relevant union body (Local/Branch, DCL, Component, Regional Committee, Area Council).

Registration is to be done by completing the online registration form, found on the PSAC Atlantic website: <https://psacatlantic.ca/our-organization/convention-2021>

Previously submitted applications have been discarded. Please ensure you re-apply.

DELEGATE REGISTRATION FEE

No registration fee shall be charged for the virtual Regional Convention.

DELEGATE ENTITLEMENT

DELEGATE ENTITLEMENT

1. The delegate entitlement calculation, done in conformance with Section 16 of the PSAC Constitution by the PSAC Director of Finance responsible for Membership Administration in 2019 remains valid for the postponed Regional Convention.
2. Locals/Branches who have experienced increases or decreases in membership since September 2019 will not see a change to their delegate entitlement; it remains as previously calculated, based on their best month for the period October 2018 to September 2019.
3. Revisions to the delegate entitlement calculation methodology for closed-shop units made by the PSAC National Board of Directors in February 2020 remain in effect for the postponed regional convention. The National Board of Directors has confirmed that any changes to delegate entitlement that resulted from their decision are not considered as late delegates.
4. Regional Committees and Area Councils who met their constitutional requirements to qualify for delegate entitlement in 2019 must maintain their constitutional requirements in 2020/2021 in order to preserve their delegate entitlement to the postponed Regional Convention. If a Regional Committee or Area Council did not qualify for delegate entitlement in 2019 and has since met their constitutional requirements, they remain ineligible to be delegated to the postponed Regional Convention.
5. Any union body that was not in compliance with the relevant by-laws and/or the PSAC Constitution when the original calculation of delegate entitlement was done, and has since become in compliance, is not now entitled to be delegated to their postponed Regional Convention.
6. As the original calculation of delegate entitlement remains in effect, any new Local or DCL that has joined PSAC since September 2019 may attend their Regional Convention as an observer.

WHO CAN BE A DELEGATE TO THE ATLANTIC REGIONAL TRIENNIAL CONVENTION?

At the 2018 PSAC National Triennial Convention, Section 16 of the PSAC Constitution was amended to define the delegate entitlement to all PSAC Regional Triennial Conventions. This Constitutional definition therefore supersedes the language regarding Regional Convention participation in our Atlantic Regional Council Bylaws.

(Please see pages 33-35 of the PSAC Constitution for the specific text)

GOING GREEN AT OUR CONVENTION

Climate change, global warming and the protection of our environment are union issues. Conventions, conferences and meetings all have an impact on our environment. We can help reduce this impact by adopting environmentally friendly practices. PSAC has worked to create a more sustainable Convention to reduce our carbon footprint. Our actions have included reducing the amount of paper and materials distributed by using the convention app that will be provided; as well as providing clean public water, and recycling and reusing Convention materials. Together, we can make a difference.

EMERGENCY RESOLUTIONS

RESOLUTION SUBMISSION PERIOD

Only emergency resolutions can be submitted to the Atlantic Regional Convention. **The deadline for submitting emergency resolutions is:**

4:00 PM (AST) on February 17, 2021 *and must be forwarded to the office of the Regional Executive Vice-President in electronic format to atlconvention@psac-afpc.com*

Emergency resolutions submitted during this period must concern an urgent priority, on a new issue that became significant for PSAC members over the past year. Emergency resolutions cannot treat a subject that has already been considered by resolution committees. For clarity, an emergency resolution:

- a) Must be on an urgent new priority or new significant issue.
- b) Cannot call for the same action or outcome as resolutions submitted previously.
- c) Cannot resubmit a resolution that had previously been determined to be out of order, in whole or in part, by the PSAC National President.
- d) Cannot resubmit a late resolution from the 2020 Regional Convention.
- e) Cannot resubmit a resolution that had previously been rejected because the original union body did not have the authority to submit resolutions to a Regional Convention.

RESOLUTION COMMITTEE REPORTS

Resolutions committees shall review the emergency resolutions submitted to determine whether they have met the above criteria, with guidance provided by the PSAC National President as required. Resolution committees are to prioritize all their resolutions; both emergency and previously submitted resolutions and then prepare/update their reports accordingly.

Resolutions Committees may amend the order of their priorities to include the emergency resolutions, but they cannot amend any recommendations made on resolutions previously submitted.

Given the time constraints of the virtual Regional Convention, resolutions committees should be prepared to present their top ten (10) priority resolutions only.

LATE RESOLUTIONS

Resolutions submitted after the deadline of 4:00 PM (AST) February 17, 2021 shall be considered late. They will be referred to the appropriate resolutions committee for a recommendation and treated as the final order of business at Regional Convention, or by regional councils following the Regional Convention. A late resolution cannot be moved up in the order of business by delegate motion. Late resolutions that had been submitted to the postponed 2020 Regional Convention will continue to be treated as late resolutions at the virtual Regional Convention.

EMERGENCY RESOLUTIONS

RESOLUTION FORMAT

Submitted resolutions must comply with the following criteria:

Format:

- ✓ Formatted in 14-point Arial font;
- ✓ Concise, focused, and limited to 150 words;
- ✓ Utilize either the traditional or clear language format and include the title, originating body and language of origin;
- ✓ Not include any special formatting such as boxes or drawings;

Approved:

- ✓ Resolutions cannot be submitted by individual members. They must be voted on and endorsed by the appropriate originating body (i.e. Local, Area Council, etc.) prior to being submitted;

Content:

- ✓ Addresses just one topic (issue) and has one major objective;
- ✓ In simple wording, clearly identifies the issue and the action(s) required;
- ✓ Ensure that each Be it Resolved clearly articulates the action sought and is able to stand alone;
- ✓ Does not call for an action or outcome that contradicts or contravenes the PSAC Constitution;
- ✓ Ensures that the action proposed is within the jurisdiction of the organization to implement;
- ✓ Respects the mandate of Convention – i.e. do not submit bargaining demands via a Convention resolution;
- ✓ Does not duplicate an existing Resolution of Record;
- ✓ Builds in accountability – i.e. deadlines, who is responsible for implementing the proposed action, what resources are required;
- ✓ Allows for flexibility in implementation, as it's the result that counts;
- ✓ Is not calling for something that is already enacted;
- ✓ Applies the Who, What, When, Why and How test;

On Time:

- ✓ Emergency Resolution submitted by 4:00 PM (AST) on Wednesday, February 17, 2021.

EMERGENCY RESOLUTIONS

Examples of traditional and clear language format resolutions are included at the end of this document.

The "Be it resolved" and "Be it further resolved" (or "The PSAC will" in clear language format) clauses are the most important parts of the resolution as these are the points delegates will be debating. Therefore, it is important that they are drafted in such a way as to stand alone.

DEADLINE FOR EMERGENCY RESOLUTIONS

Emergency Resolutions to Convention must be forwarded to the office of the Regional Executive Vice-President by 4:00 PM (AST) on Wednesday, February 17, 2021. Please submit resolutions in electronic format to: atlconvention@psac-afpc.com

TIPS FOR WRITING GOOD RESOLUTIONS

A good resolution:

- uses clear simply wording
- is concise and focused, and respects the 150-word limit
- deals with just one topic (problem) and has one major objective
- clearly identifies the problem
- specifically outlines the required action
- builds in accountability (i.e. deadlines, who will be responsible for implementing the proposed action, what resources will be required)
- ensures the action proposed is within the jurisdiction of the organization to implement
- isn't something that it constitutionally dealt with in another way (i.e. bargaining demands)
- allows for flexibility in implementation - it's the end results that counts
- is submitted on time, prior to the 4:00 PM (AST) deadline on Wednesday, February 17, 2021
- isn't about something that is already enacted
- applies the WHO, WHAT, WHEN, WHY and HOW test.

Please note - Bargaining demands will not be accepted as there are other mechanisms in place to address them.

Should you have any questions regarding the resolutions process, please contact the REVP Office at (902) 445-0925 (1-888-808-5544) or by email at atlconvention@psac-afpc.com
