Brother Colford,

Once again, we are proud to support the NBFL Blair Doucet Youth Summer Camp. Please find enclosed a check in the amount of \$950 which will cover the cost to sponsor one youth. We also mailed to your office promotional material that can be given to the participants and also used as prizes.

We have seen first hand the value and success of the Blair Doucet Youth Summer Camp and that's why we are extremely proud to be able to assist in any way that we can. We will share the information with all of our PSAC locals in New Brunswick and promote it throughout the Atlantic Region.

Please accept our sincere thanks in continuing this important camp. Education is power and our youth certainly needs it in these challenging times.

In solidarity,
