Mark your calendars:

**PSAC Atlantic Union School
May 27 - 31, 2015
St. Francis Xavier University
Antigonish, NS**

*This school brings together some union activists with a foundation in union education to advance their skills in the company of the region's most activated members. The school's in-residence program is tailored to deliver advanced courses while immersing participants in union culture. Details and application forms to follow separately.

Other training options available: All PSAC members can also do on-line education training on different topics at the following link: psacunion.ca/online-learning
