

Greetings:

The Office of the Worker Counsellor is pleased to announce our 2013 fall workshop schedule.

**Navigating Your Way: a worker's guide to workers' compensation**

October 18-19: Kentville

November 22-23: Tatamagouche

**Appealing WCB Decisions: a guide for union activists**

November 22-23: Tatamagouche

Navigating Your Way is written using clear language and design principles so that participants can actively engage in discussion rather than scrambling to take notes. Upon completion, participants will have the ability to locate information in the Workers' Compensation Act and will bring materials, information and strategies for action back to their locals.

The Appealing WCB Decisions workshop is for union and workplace activists so that they can help injured workers through the appeals system. Those considering the workshop should have a working knowledge of the workers' compensation system.

Each workshop is limited to 20 participants. Therefore, registration will be on a first come, first served basis. The workshops are open to all workers in Nova Scotia, including injured workers.

If you need more information about these workshops, please contact us:
